Hi Heather,

I was going to get back to you and Hal today to let you know that a meeting has been set up for that Monday, Oct. 26 at 1PM. Hal's original e-mail had requested after lunch time for about a half hour, so I made it until 1:30. Please let me know if this works for you guys.

Thanks,
Jennifer

John, Dan, and Jennifer-
Hal Ambuter wanted me to follow up with you with his request for a meeting this Monday. Is that something that can be put together? Hal would like to discuss the pending Tier 3 submissions as well as future submissions for other Tiered bait station products.
